

9545 Cloth Tape

Data Sheet

Product Description

3M Scotch™ 9545 is a heavy-duty cloth tape, which is ideal for the identification of electrical wires and equipment. The wide range of colours and widths, coupled with being easy to write on means that the tape is very versatile.

Although the tape can be torn without scissors, its longitudinal strength makes it ideal for harnessing applications and won't stretch like other materials.

1. **Colour Coding** – a range of seven colours to differentiate wires and cables.
2. **Write On** – 3M Scotch™ 9545 is easy to write on for heavy duty labelling.
3. **Banding** – a good adhesive and non-stretch strength for a reliable grip.

Technical Data

Length:	50m
Thickness:	0.27mm
Widths:	12, 19 and 25mm (other widths available upon request)
Colours:	Blue, red, yellow, green, black, white and grey
Material:	Impregnated viscose fabric
Adhesive:	Natural rubber
Adhesive strength:	78N/25mm
Tensile strength:	280N/25mm
Ultimate elongation:	16%
