

R Type - Rotating Multi-Weave Cable Grip

Like the MU type, the rotating eye cable grip has a triple weave construction and is colour coded for ease of identification. In addition, its steel forged revolving head is ideal for connecting to Slingco swivels and shackles. Warning: The Slingco R Type Rotating Eye Cable Grip does not revolve under load.

Slingco part no.	Colour	Size range (mm)	Revolving eye diameter (mm)	Lattice length (mm)	Approx breaking strength (kg)
Galvanised
