

MBT Range of Stainless Steel Cable Ties

Features and Benefits

The MBT (Metal Ball bearing Ties) have a non-releasable locking mechanism that offers infinite adjustment along the length of the tie. These ties are available in both 316 and 304 grades of stainless steel.

Application

The MBT range of stainless steel ties are suitable for use in the most arduous conditions or where additional security, strength, fire resistance and chemical resistance properties. Used in all industries – from mass transit, ship building, oil rigs, mining, chemical industries and many more.
