

CONDUCTOR ACCESSORIES

A comprehensive range of compression anchor clamps is available suitable for majority of AAC, AAAC and ACSR conductors. This range includes the special GZT ACSR conductor (Matthew) for which Overhead Line Fittings (UK) Limited was at the forefront of the design of the relevant fittings in collaboration with National Grid.

Compression anchor clamps are available either as bolted type suitable for detachable jumper palms or the integral types having angled or straight jumper facility.

COMPRESSION ANCHOR CLAMP
