

Fox-Flo® Zero Halogen Tie-on Cable Labels

Thermal Cable Labels

Our new Fox-Flo® zero halogen UV stable thermally printed tie-on cable labels have been specially developed using the very best materials for long-term endurance and reliability. They offer good flexibility and strength and can be attached using standard nylon or stainless-steel cable ties.

Authorised for use for London Underground Limited projects. Suitable for any applications where LSZH is specified.

✓ **Approved by London Underground.**

TIP Use with Silver Fox Labacus Innovator **Advanced** or **Professional** software. Print in conjunction with our Fox-in-a-Box Plug'N'Play thermal printer using the same ribbon as all our other thermal labels.

- ### Benefits
- Easy to use and apply
 - Pre-perforated for rapid removal from roll
 - Apply to any cable from OD Ø 10mm - unlimited
 - Attach with standard nylon or stainless-steel cable ties
